INSTRUCTIONS TO ETEAC SCHOLARSHIP APPLICANTS

Who is eligible? Applicants should be high school seniors interested in pursuing a career in any field of engineering. Persons returning from military service are also eligible.

What forms are required? The ETEAC Engineering Scholarship Program Application Form must be used. The applicant must neatly complete the form. Have your guidance counselor review and sign the form, then send it to the ETEAC contact below. REMEMBER: The essay on why you are interested in engineering is necessary to make the application complete.

When should the completed application be submitted? The completed forms must be sent to eteacscholarship@gmail.com by 11:59 PM on April 10, 2020.

What happens after the application is submitted? After initial screening, applicants may be interviewed by the scholarship panel prior to final selections.

When will the results be known? ETEAC scholarship recipients will be announced in early May 2020. Recipients will be contacted by mail and/or phone to notify them of their selection.

Do you have questions? Your guidance counselor may be able to advise you in filling out the application form. If other questions arise, please contact the ETEAC member listed below.

ESSAY

Prepare a DOUBLE-SPACED TYPEWRITTEN essay of approximately 250 words on the following topic:

Describe who or what has motivated you to become an Engineer.

Attach a page with the title of the essay along with your name at the top to your application packet.

HIGH SCHOOL TRANSCRIPT

Obtain a certified copy of your high school transcript **with your courses for the first semester of the 12th grade** indicated and include in your application packet. Ensure that your SAT, ACT, or PAA scores are included on the transcript, or attach a copy of the official test result report. Have your Guidance Counselor include a description of the curriculum and grading system used, and indicate on the transcript those courses in progress for the first semester of the 12th grade. Also, clearly indicate on the transcript all courses that are included in the high school “honors” or “advanced placement” programs, any courses completed from a college or university curriculum for which high school credit is earned, and any credits earned from a special industry program. This information will be used to award supplemental credit to the applicant.
